

## Kick-off Meeting:

The first meeting of the Young Green Entrepreneurship project took place on March 2nd and 3rd in Brăila (Romania) and was attended by representatives from the partners:

EGInA Srl.

Razvojna Agencija Sotla

Future Focus Ltd.

INNETICA

Associação Sojovem Ermesinde

ConfideaStar

Braila Branch of Romanian  
Employers' Association

On the first day we enjoyed the visit of the vice-president of the Brăila County Council, **Dobre Ionut Ciprian**.

## Project Results:

They will consist on the elaboration of:

 **A training guide on business plans in green entrepreneurship for young people** to teach unemployed young people to draw up a business plan linked to the green and circular economy.

 **A learning methodology on green entrepreneurship for young people:** This project output is aimed at educators and youth workers.

 **A collaborative platform on green entrepreneurship:** It will be designed as REA. The content of the course will be linked to entrepreneurship to acquire these skills and thus be able to create a company related to the environment and the circular economy. There will be specific spaces within the platform for three very important actors for our project; young people, youth workers and interested entities with a vocation to interact to request and receive/give information.

## Online Meetings:

So far, 2 online meetings have taken place, one on April 19th and one on June 14th, attended by representatives of the partners, where issues of implementation and realization of the products of the project were discussed.
